"The children particularly like learning the names of the composers, which was surprising to me. I show them photos of the composers. The children often want to know if the composer is alive today."

IMPACT

“We are beyond grateful as teachers for the opportunity to implement MMM. My students and I enjoy talking about how great it is to be able to guide others to use MMM. My students are able to access it at home and I know it is having a positive effect on their mental wellbeing. My students are able to express their feelings better and know that MMM is a tool to help us feel centered.”

MS. LARSEN, GRADES 3-4 TEACHER, SAN DIEGO, APRIL 2024

Incorporating [Mindful Music Moments] into our routine gave us the opportunity to MAKE TIME to be mindful. We learned how to be mindful through the music and breathing techniques. I saw children feel the music in their own unique ways- some would close eyes, some would focus out the window, while others would move their bodies calmly to the music in their chairs.

MS. FENTON, KINDERGARTEN TEACHER, CINCINNATI, MAY 2023

“This program gives students—and just as importantly, teachers—a moment of stillness and reflection. These exercises are designed to meet them exactly where they are and give them the skills to compassionately respond, not just simply react.”

BEN KIPP, DIRECTOR OF EDUCATION AT UTAH SYMPHONY | UTAH OPERA, MARCH 2024

*Mindful of Our Growing Data: This data is self-reported by schools when they join Mindful Music Moments (pages 2 and 6). While 31 schools (8%) haven't shared enrollment details yet, and program usage varies, we believe that at least this many students listened to Mindful Music Moments this year plus more. This is an inspiring starting point and we are actively investigating improved data collection practices to capture more detailed usage for 2024/25.

Special Thanks

Mindful Music Moments thrived this year thanks to an incredible network of partners, foundations, donors, artists, and collaborators. Their time, talent, and resources ensured high-quality, accessible music experiences for all, even amidst ever-changing school environments.
